difference in prices, and he has admitted in his reply in Rajya Sabha on the 24th of April |Aug. 1989 that the company is charging about Rs. 4. 50 per strip extra. This works out to Rs. 3 crores per annum. I would like to know from the hon Minister the exact time when he is going to realise this amount the figure which his debt has already got in his file. He has already replied i_n this House on the 24th of April Aug. 1989 that this amount has been worked out. How he is saying today that it has not been worked out?

SHRI M. S. GURUPADASWAMY: Sir, all the amounts that have been worked out in the Ministry are tentative. They are tentative because full information, all the details are not available with us So, we have issued notice to the company to supply all the information, and the last notice has been issued on the 10th of this month itself. Therefore, we are awaiting the full information, all the details.

SHRI RAJNI RANJAN SAHU: You have already calculated it and given this to the House. You have replied about it in this Home.

SHRI M. S. GURUPADASWAMY; Sir, in the past the company was charging Rs 12f- per ten-tablet strip. We have feed '; ha price later on, lowered the price. The company took shelter under the SSI. That is. they said that they are a small company and that they are manu-featnring it in their own factory in their own name. We have disputed that- We have not agreed. We have not accepted that figure at all Therefore, we have issued the show-cause notice to the company. If they fail to give all the information, we are going to prosecute them.

MR. CHAIRMAN: Question Hou_r is over.
